11 It is proposed to spare Rs 3000 from the current year's Mungrai budget

A total sum of Rs 21,998 (12000+9988) is provided for construction and Repairs of Mungrai Bush Lines during the current year. It is submitted that it is not possible to spare such a heavy sum of Rs 3000/- out of this allotment for this construction. A sum of Rs 1475 has already been ordered to be granted from out of the allotment for construction and Repairs during 1940-41.

13 It attaches the Mungrai Committee's recommendations in the matter as no information is available as regards their Commitments. At any rate a sum of Rs 3000/- seems to be in excess of grant for any one such item
